IRONGUARD FINISH

The Ironguard finishes at 72nd Place Lifeguard Station (7200 E. Ocean Blvd). All participants will swim the last buoy, then run up the chute to give their name and finish time to the instructor at their designated table (A, B, or C).

Once they finish, there will be a food truck for all competitors to receive one free meal!

After completing the event, JGs are free to head home and rest up! Regular sessions (AM and PM) will continue the following day, until the last day of the 2021 Program on Friday, August 6th.
